Re: 2

Dear Mr. Mandella:

This office has recently completed an audit of USWA LU 5852 under the Compliance Audit Program (CAP) to determine compliance with provisions of the Labor-Management Reporting and Disclosure Act of 1959, as Amended (LMRDA), by your organization. As discussed during the exit interview with you on April 7, 2005, no violations of the LMRDA were disclosed in areas of financial activity included in the CAP. This does not exhaust all possible problem areas, however; since the audit conducted was limited in scope and did not include all areas of your union's operation.

I want to extend my personal appreciation for your superior cooperation and courtesy during the compliance audit. If our office can be of any assistance to you in the future, please do not hesitate to call.

Sincerely,
