Re: ✓

Dear Mr. Thiel:

This office has recently completed an audit of Carpenters Local 1743's books and records for the fiscal year ended June 30, 2004, under the Compliance Audit Program (CAP) to determine your organization's compliance with the provisions of the Labor-Management Reporting and Disclosure Act of 1959, as Amended (LMRDA). As discussed during the exit interview with you and Treasurer Steve Frame on September 22, 2005, the following problems were disclosed during the CAP. The matters listed below are not an exhaustive list of all possible problem areas since the audit conducted was limited in scope.

The CAP disclosed a violation of Title II of the LMRDA regarding the annual financial reports required by your organization under Section 201 (b) of the Act. The CAP disclosed that your organization's LM-3 Report for the fiscal year ended June 30, 2004, is incorrect in that Item 24 does not include all disbursements to officers during that fiscal year. In addition, officers' salaries are incorrectly reported in Item 24, Column E. Also, some disbursements included in Item 54 are incorrectly reported. As such, the LM-3 Report for the fiscal year ended June 30, 2004, needs to be amended. Please be certain to send the original report, with original signatures, to me at the included address. Since you have agreed to file the amended report by October 14, 2005, no further action is contemplated at this time.

I want to extend my personal appreciation to you and your entire staff for your cooperation and courtesy during this compliance audit. If we can be of any assistance in the future, please do not hesitate to call.

Sincerely,

FCC
