LM Number: 036648

Dear Mr. Cossarini:

This office has recently completed an audit of Teamsters Local 682 under the Compliance Audit Program (CAP) to determine your organization's compliance with the provisions of the Labor-Management Reporting and Disclosure Act of 1959 (LMRDA). As discussed during the exit interview with you, Bookkeeper Jenny Morris, and Accountant Dennis Nilges on June 4, 2012, the following problems were disclosed during the CAP. The matters listed below are not an exhaustive list of all possible problem areas since the audit conducted was limited in scope.

Recordkeeping Violations

Title II of the LMRDA establishes certain reporting and recordkeeping requirements. Section 206 requires, among other things, that labor organizations maintain adequate records for at least five years by which each receipt and disbursement of funds, as well as all account balances, can be verified, explained, and clarified. As a general rule, labor organizations must maintain all records used or received in the course of union business.

For disbursements, this includes not only original bills, invoices, receipts, vouchers, and applicable resolutions, but also documentation showing the nature of the union business requiring the disbursement, the goods or services received, and the identity of the recipient(s) of the goods or services. In most instances, this documentation requirement can be satisfied with a sufficiently descriptive expense receipt or invoice. If an expense receipt is not sufficiently descriptive, a union officer or employee should write a note on it providing the additional information. For money it receives, the labor organization must keep at least one record showing the date, amount, purpose, and source of that money. The labor organization must also retain bank records for all accounts.

The audit of Local 682's 2011 records revealed the following recordkeeping violations:

Lack of Adequate Documentation for Disbursements and Credit Card Expenses

Local 682 did not retain adequate documentation for credit card expenses incurred by Secretary-Treasurer Robin Norris totaling at least \$1,671.27. Backup documentation for Norris' April 2011 credit card bill was not retained.

Local 682 did not retain adequate backup documentation for disbursements totaling at least \$2,455. For example, the local purchased gift cards as Christmas gifts for shop stewards totaling \$2,350. A receipt from the purchase was not retained. Also, the local reimbursed \$1,000 in gas for members who were striking; however, the local retained gas receipts for only \$894.28.

As noted above, labor organizations must retain original receipts, bills, and vouchers for all disbursements. The president and treasurer (or corresponding principal officers) of your union, who are required to sign your union's LM report, are responsible for properly maintaining union records.

Based on your assurance that Local 682 will retain adequate documentation in the future, OLMS will take no further enforcement action at this time regarding the above violations.

Reporting Violations

The audit disclosed a violation of LMRDA Section 201(b), which requires labor organizations to file annual financial reports accurately disclosing their financial condition and operations. The Labor Organization Annual Report Form LM-2 filed by Local 682 for the fiscal year ended December 31, 2011, was deficient in the following areas:

1. Disbursements to Officers and Employees

Local 682 did not include some reimbursements to officers and employees / payments to officers and employees totaling at least \$20,000 in Schedule 11 (All Officers and Disbursements to Officers) and Schedule 12 (Disbursements to Employees). It appears that the local erroneously reported these payments in Schedules 15 through 19.

The union must report in Column F of Schedules 11 and 12 (Disbursements for Official Business) direct disbursements to officers and employees for reimbursement of expenses they incurred while conducting union business. In addition, the union must report in Column F of Schedules 11 and 12 indirect disbursements made to another party (such as a credit card company) for business expenses union personnel incur. However, the union must report in Schedules 15 through 19 indirect disbursements for business expenses union personnel incur for transportation by public carrier (such as an airline) and for temporary lodging expenses while traveling on union business. The union must report in Column G (Other Disbursements) of Schedules 11 and 12 any direct or indirect disbursements to union personnel for expenses not necessary for conducting union business.

2. Automobile Expenses

Local 682 did not include in the amounts reported in Schedule 11 (All Officers and Disbursements to Officers) and Schedule 12 (Disbursements to Employees) disbursements for the operation and maintenance of union automobiles totaling at least \$1,035.

The LM-2 instructions provide two methods for reporting automobile-related expenses. The union must report in Schedules 11 and 12 direct and indirect disbursements for the operation and maintenance of union owned and leased vehicles and the operation and maintenance of vehicles owned by union personnel (including gasoline, repairs, and insurance). The union may divide the expenses and report them in Columns F and G based on miles driven for union business (supported by mileage logs) compared with miles driven for personal use.

Alternatively, rather than allocating the expenses between Columns F and G, if 50 percent or more of an officer's or an employee's use of a vehicle was for official business, the union may report all of the expenses relative to the vehicle assigned to the officer or employee in Column F of Schedule 11 or 12 with an explanation in Item 69 (Additional Information) that the officer or employee used the vehicle part of the time for personal business. Similarly, if a vehicle assigned to an officer or employee was used less than 50 percent of the time for business, all of the expenses relative to that vehicle may be reported in Column G with an explanation in Item 69 that the officer or employee used the vehicle partly for official business.

3. Failure to File Bylaws

The audit disclosed a violation of LMRDA Section 201(a), which requires that a union submit a copy of its revised constitution and bylaws with its LM report when it makes changes to its constitution or bylaws. Local 682 amended its constitution and bylaws, but did not file a copy with its LM report for that year.

Local 682 has now filed a copy of its constitution and bylaws.

Local 682 must file an amended Form LM-2 for the fiscal year ended December 31, 2011, to correct the deficient items discussed above. The report must be filed electronically using the Electronic Forms System (EFS) available at the OLMS website at www.olms.dol.gov. The amended Form LM-2 must be filed no later than June 30, 2012. Before filing, review the report thoroughly to be sure it is complete and accurate.

I want to extend my personal appreciation to Teamsters Local 682 for the cooperation and courtesy extended during this compliance audit. I strongly recommend that you make sure this letter and the compliance assistance materials provided to you are passed on to future officers. If we can provide any additional assistance, please do not hesitate to call.

Sincerely,

Investigator
