LM Number: 014587

Dear Mr. Kaminski:

This office has recently completed an audit of Laborers Local 1140 under the Compliance Audit Program (CAP) to determine your organization's compliance with the provisions of the Labor-Management Reporting and Disclosure Act of 1959 (LMRDA). As discussed during the exit interview with you on July 22, 2011, the following problems were disclosed during the CAP. The matters listed below are not an exhaustive list of all possible problem areas since the audit conducted was limited in scope.

Recordkeeping Violations

Title II of the LMRDA establishes certain reporting and recordkeeping requirements. Section 206 requires, among other things, that labor organizations maintain adequate records for at least five years by which each receipt and disbursement of funds, as well as all account balances, can be verified, explained, and clarified. As a general rule, labor organizations must maintain all records used or received in the course of union business.

For disbursements, this includes not only original bills, invoices, receipts, vouchers, and applicable resolutions, but also documentation showing the nature of the union business requiring the disbursement, the goods or services received, and the identity of the recipient(s) of the goods or services. In most instances, this documentation requirement can be satisfied with a sufficiently descriptive expense receipt or invoice. If an expense receipt is not sufficiently descriptive, a union officer or employee should write a note on it providing the additional information. For money it receives, the labor organization must keep at least one record showing the date, amount, purpose, and source of that money. The labor organization must also retain bank records for all accounts.

The audit of Local 1140's 2010 records revealed the following recordkeeping violation:

Disposition of Property

Local 1140 did not maintain an inventory of hats, jackets, and other property it purchased, sold, or gave away. The union must report the value of any union property on hand at the beginning and end of each year in Item 28 of the LM-2. The union must retain an inventory or similar record of property on hand to verify, clarify, and explain the information that must be reported in Item 28.

The union must record in at least one record the date and amount received from each sale of union hats, jackets and other items.

Based on your assurance that Local 1140 will retain adequate documentation in the future, OLMS will take no further enforcement action at this time regarding the above violations.

Reporting Violations

The audit disclosed a violation of LMRDA Section 201(b), which requires labor organizations to file annual financial reports accurately disclosing their financial condition and operations. The Labor Organization Annual Report Form LM-2 filed by Local 1140 for the fiscal year ended June 30, 2010, was deficient in that:

Disbursements to Officers and Employees

Local 1140 did not include some reimbursements to officers and employees in Schedule 11 (All Officers and Disbursements to Officers) and Schedule 12 (Disbursements to Employees). It appears that the local erroneously reported these payments in Schedules 15 through 19.

The union must report in Column F of Schedules 11 and 12 (Disbursements for Official Business) direct disbursements to officers and employees for reimbursement of expenses they incurred while conducting union business. In addition, the union must report in Column F of Schedules 11 and 12 indirect disbursements made to another party (such as a credit card company) for business expenses union personnel incur. However, the union must report in Schedules 15 through 19 indirect disbursements for business expenses union personnel incur for transportation by public carrier (such as an airline) and for temporary lodging expenses while traveling on union business. The union must report in Column G (Other Disbursements) of Schedules 11 and 12 any direct or indirect disbursements to union personnel for expenses not necessary for conducting union business.

I am not requiring that Local 1140 file an amended LM report for 2010 to correct the deficient items, but Local 1140 has agreed to properly report the deficient items on all future reports it files with OLMS.
